

## **SUMMARY CV**

### **AIDAN GREEN – HEALTH & SAFETY CONSULTANT**

I am a Chartered Member of the Institute of Occupational Safety and Health (CMIOSH). As a member of this institute, I follow the CPD (continuous professional development) programme where I must prove that I am kept abreast of current legislation and best practice.

I have an accomplished management career that reflects experience in operational leadership, health and safety management, resource utilisation, and organisational development. I am an innovative training and development professional with extensive experience in the delivery, evaluation, and enhancement of effective instructional programs and health and safety management assessment models.

I have many years of experience in providing clients with the following health and safety services:-

- Undertaking health and safety audits to identify breaches of legislation and unsafe practices, and providing clients with reports of the findings and recommendations;
- Undertaking Risk, COSHH, Display Screen Equipment, Fire and Manual Handling Assessments and Safety Reviews;
- Provision of health and safety advice and support to clients on telephone and face to face;
- Liaising on behalf of clients, with the HSE, Fire Authorities, EHOs and insurance brokers;
- Preparation, compilation and installation of bespoke Health and Safety policies for clients;
- Provision of training to clients on the implementation of the management systems.
- Developing and delivering health and safety training courses and toolbox talks.
- Chairing health and safety committee meetings
- Undertaking incident investigations on behalf of clients
